## Work Experience

### Web Developer Intern

MashupTech 

<https://mashuptech.in>

May 13th, 2024 – Present

As a web developer intern at Mashuptech since May 13th, 2024, I have gained extensive hands-on experience in HTML, CSS, and JavaScript. I have been involved in developing various interactive applications and collaborating on live projects. My responsibilities have included creating user-friendly interfaces, implementing functionality, and ensuring that client requirements are met. Throughout my internship, I have demonstrated my ability to work effectively within a team and deliver high-quality work on time. I am eager to continue growing my skills and contributing to innovative web development projects.

## Projects

### Tic-Tac-Toe Game

- Developed an interactive Tic-Tac-Toe game using HTML, CSS, and JavaScript.
- Implemented game logic, ensuring proper functionality and user experience.
- Added features such as score tracking and reset functionality.

## Skills

- Java, HTML, CSS, jQuery, PHP, SQL
- Front End & Back End Coding
- Technical Documentation
- Proficient knowledge of OOP concepts.
- Great understanding of control structures.

## Education

- **Bachelor's in Computer Applications**, (2024 Passout), The Cochin College. Kochi-2. Secured a total of 66%.
- **Computer Science, Higher Secondary**, (2021 Passout), Central Cakvatty. Kochi-2. Secured a total of 88%.
- **SSLC**, (2019 Passout), HEHMMHS. Kochi-2. Secured a total of 99%.

### **Keralafirst Website**

- Developed a website for Keralafirst, a tuition academy client.
- Utilized HTML, CSS, and JavaScript to create a functional and informative site.
- Incorporated features such as course listings, enrollment forms, and contact information.
